SIS Global®

SIMPLY INTELIGENT SOLUTIONS

Company Profile

About SIS Global

Established in 2007 in Riyadh, Saudi Arabia, SIS Global stands as a testament to Saudi ingenuity and entrepreneurial spirit. Built on the creativity of our people, the efficiency of our processes, and the power of technology-enabled tools, we have emerged as a regional leader in integrated business solutions.

Today's interconnected world requires a special kind of partner, one that combines global best practices with deep local understanding. Our clients work with one accountable team, not five vendors. We offer more than solutions; we deliver a proven model of innovation that keeps propelling the region to the forefront of its industry.

SIS Global®

Our Vision

To be the region's most trusted single-source partner for human capital, technical services, ICT and business process outsourcing enabling our clients to scale confidently across the Middle East and beyond.

Our Mission

We combine global best practices with deep local expertise to deliver integrated solutions that reduce complexity, lower Total Cost of Ownership, and accelerate our clients' business outcomes across nine countries.

A Message
From Our CEO

Dear Valued Partners,

For more than 25 years, SIS Global has been committed to helping organizations grow through innovation, operational excellence, and trusted partnerships.

Built in Saudi Arabia and expanding across international markets, we combine global best practices with deep local expertise to deliver lasting business value.

Our mission has always been simple: to help organizations operate more efficiently, adapt with confidence, and achieve sustainable growth through a trusted long-term partnership.

As industries continue to evolve, we remain committed to excellence, investing in our people, embracing innovation, and building enduring relationships with every client we serve.

Thank you for your trust and continued partnership.
